

Define your problem statement

Due to the busy and hectic lifestyle people tend to overlook their budget and end up spending an excessive amount of money since they usually didn't plan their budget wisely. Therefore, user cannot predict future Expenites: While writing down their expenses or managing them in excel spreadsheet ,their lack of knowledge in managing finances will be a problem.

Brainstorm

DEEPTHI P

Person 5

To create and design an app for users to keep track on thier expenses on a daily and monthly basis

10 minutes

Person 8

Group ideas

Take turns sharing your ideas while clustering similar or related notes as you go. In the last 10 minutes, give each cluster a sentence-like label. If a cluster is bigger than six sticky notes, try and see if you and break it up into smaller sub-groups.

① 20 minutes

Prioritize

The ultimate aim is to create a user and hazzle friendly app that keeps track on the daily and monthly expenses of an individual , send reports regularly , notifry when there is an exceedance of budget and to keep data records safe with backup.
